Welcome to JRM Preschool! We are pleased that you are considering our school for your family. Submitting your completed application and non-refundable \$100 application fee is the first step in our process. Admissions decisions are made 10 business days from the receipt of application. If classes are full, your family will be added to a wait pool and contacted as space becomes available.

At JRM Preschool and Temple De Hirsch Sinai we strongly believe that premier Jewish education should be within reach of every interested family, and empowers that possibility through the generous donations of our community, parents and alumni. If you would like to inquire about scholarship assistance, please reach out to us directly or visit our website at www.jrmpreschool.org for more information.
